Dhalwar, 27th 27th August 1948

From

A.K.Deshapande, B.A., B.E.,

officiating Deputy Engineer,

and Personal Assistant to the
Executive Engineer, Dharwar Division, Dharwar.

To

The Superintending Engineer,

Southern Circle, Belgaum.

Subject:- Permanent post as Deputy Engineer.

Sir,

I am very much grieved to find, that although I have been working as an officiating Deputy Engineer for the last seven years, my juniors have been allowed to supersede me and made permanent Deputy Engineers. It was a surprise even to the public Service Commission. The immense loss, to which I have been put, can only be imagined.

Some Overseers, junior to me, being made permanet earlier, will shortly be Excutive Engineers.

I am being pushed back in seniority

I dom not know whether I am officiating in a permanent post or not. Taking into consideration, my seniority as officiating Deputy Engineer in the whole province, my seniority as officiating Deputy Engineer in the whole province, I should as a mattter of fact be occupying one of the vacant permanent posts, as my lien over the overseer's post also has long been suspended. Usually an officiating person is confirmed in the post, if the permanent incumbent does not return. With this presumption, I expected tobe made permanent long ago.

2. The working of this circle is reported to be more efficient, but it is an irony of fate, that the workers, who do the work are neglected. The last overseer to be made permanent from this Circle, was Mr.R.D.Mahajan in 1945 (not considering Mr. P.R.Joshi who was on deputation prior to this for about five years and whose lien was also suspended) The Overseers from other circles are, however, promoted more frequently and in large numbers. Even during this year the

following Overseers are made permanent (1) Mr. B.P.Palande (G.R.No. 6436/36 of 30-7-1948) (2)D.K. Atre (3) Mr. D.D. Bhate (4) R.N. Athavale (G.R.No 6436/36 of 15-6-1948). the first three of whom are junior to me. I doubt, that when these overseers were made permanent Deputy Engineers, this year, there was any recommendation from this cirle. It cannot be, that there are no Overseers in this Circle, who can be made permanent Deputy Engineers.

3. Even though, I may be leaving this circle, I desire that my case should be represented to Government from this Circle, as I have put in more than fifteen years service in this Circle. I request you, therefore , to kindly bring the above facts to their notice and move Government to make me permanent as early as possible , giving me my due seniority , as I should have it, if the promotion had been according to my seniority. For this act of kindness, I shall ever remain thankful to you.

I beg to remain,

Sir,

Yours faithfully,

Executive Engineer, D. Dn.

Below application dated the 27th August 1948, from Mr. A.K.Deshpande, Officiating Deputy Engineer, received under Executive Engineer, Dharwar Division's No. G-38, dated the 30th August 1948.

No. G-38. Public Works Department,

Belgaum, 21st Septr. 1948.

Forwarded with compliments, to the Secretary to Government, Public Works Department, Bombay, for disposal.

2. Mr. A.K.Dehspande has been officiating as Deputy Engineer continuously from 7th May 1942.

3. When recommendations were called for by Government in June 1945, Mr. Deshpande was recommended for confirmation as Deputy Engineer- vide this office No. G-38 (confidential) dated the 18th June 1945. However, in view of the adverse remarks made by the Public Service Commission, Government decided to postpone the question of his confirmation in B.S.E.(II) and called for a spedial report, vide Government Letter No. 6436/36-E(I) dated the 13th Septr. 1945. A special report was submitted under this office No. G-38(Confidential) dated the 26th March 1946.

4. Mr. Deshpande's name was again recommended in this office No. G-38(Confidential) dated the 3rd August 1948 assigning him third place in order of preference.

5. When recommendations were called for by Government in 1947, Mr. E.P.Little, the then Superintending-Engineer, Southern Circle did not recommend Mr. Deshpande, vide serial No. 2 in the statement accompanying this office No. G-38(confidential dated the 18th December 1947.

6. The statement made in para 1 of Mr. Deshpande's application that the Public Service Commission was surprised at his being not confirmed as Deputy Engineer appears to be inconsistent with the facts- please vide Government Letter No. 6436/36-E(I), dated the 13th september 1945

September 1945.

7. Mr. Deshpande has now submitted an application to the Public Service Commission in June last in response to their advertisement and he has also been interviewed. The result of the interview has not yet been communicated.

8. Mr. Deshpande is double graduate (B.A.& B.E,) of 22years standing and I assume that such remarks as complacency lack of initiative and ~~[illegible]~~ superficiality, are the out come of disappointment and long service as a subordinate. Compated to others looked at on a provincial wide view), I think he is in a similar position, quite fit to be an Officer of class II In B.S.E.

Subject:- Appointments.

Overseers to the Bombay Service of Engineers Class II- Orders regarding-

Sir,

I have the honour to solicit a reference to G.R.P.W.D. No. 6436/36 dated 15-6-48, wherein, permanent Overseers have been promoted to permanent Deputy Engineers Class II In this connection, I have to submit as follows for your kind and favourable consideration:.

(i) I was appointed as an officiating Deputy Engineer on 12-6-42 and am working as such since then todate . I was also appointed as a Temporary Deputy Engineer in November 1947 vide please Government letter No. 7673/36-P(1) dated 24-11-47.Mr. D.K.Atre, who has been promoted as a permanent Deputy Engineer as per G.R. referred to above, was appointed as an officiating Deputy Engineer since only 8-11-43 and was a junior officiating Deuputy Engineer to me. As far as I am aware, the date of officiating appointment counts for permanency and seniority in that grade and if I mistake not the same principle has been observed with respect to class I appointments.

(ii) I am not aware of the conderations which weighed with Government in leaving out my claims to permanency although I was senior in the officiating appointment. Probably Government have under their considerations separately the question of making Temporary Deputy Engineers permanent and as I am one of them , my case may have been or may be dealt with along with it. I hope , therefore, that when I am confirmed in Class II service I will be given my due seniority according to the date of my officiating in Class II service

Hoping tobe excused for the trouble and to receive a favourable reply.

Yours faithfully,

Passed on, with compliments, to the Secretary to Government, Public Works Department, Bombay, with reference to this office letter No. G-49/12206 of 8th December 1947.

2. In Government letter , P.W.D., No. 6436/36-E(I) of 2nd December 1947, the Superintending Engineer was asked to nominate two officiating Deputy Engineers considered best suited for permanent promotion to the B.S.E.Class II and accordingly the two senior most overseers officiating as Deputy Engineers were recommended as they were considered fit for this promotion, one of these two being Mr. Atre . In making these recommendations, their seniority as in the seniority list of Overseers is taken into consideration always and not their seniority as Officiating Deputy Engineers.

3. Besides the principles laid down in Government Resolution, Political and Services Department No. 4099/44 of 18th march 1947 have to be observed in connection with these promotions and hence Mr. Atre could not be passed over in favour of Mr. Gandhi.

P.W.D.

These are the representations from Messrs. A.K.Deshpande, and N.G.Gandhi, Tempy. Dy. Engrs. reg; their claims for pt. promotion to the B.S.E., class II.

2 Mr. Deshpande is pt. Overseer in the Southern Circle He was promoted as offg. Dy, Engr. , with effect from the 7-5-42 and in Dec. 1948 he has been appointed as Tempy.Dy. Eng. -gr. in the B.S.E., class II.Mr. Deshpande's contension that his juniors have been promoted as pt. Dy. Engrs. is not correct. No . Overseer from the S.C. who is junior to Mr. Deshpande has been promoted as pt. Dy, Engr. in the B.S.E., class II. In 1945 Mr. Deshpande was interalianominated for permanent promotion to the B.S.E., class II- vide G.L.No. 6436/36-E(I), dated the 17-7-45. The B.P.S.C., however , did not consider him fit for pt. promotion to the B.S.E., class II, in view of the recommendations earned by him since 1939 . The B.P.S.C.'s view was accepted and the question of Mr. Deshpande's confirmation in the B.S.E., class II was postponed for the time being -vide para. 2(ii) of the B.P.S.C.'S letter No. 374(ii)-II/(2)/418, dated the 13-8-45, and G.L.No. 6436/36-E(I); dated the 13-9-45. Mr. Deshpande's name was again recommended by the S.E., S.C., in 1946 for pt. promotion to the B.S.E., class II. But this time the question of making pt. promotion to the B.S.E., class II, was dropped- vide S.E.,S.C.'s letter G.38 dated the 3-8-46, and the office note dated the 13-11-46. At the time of last promotions to the B.S.E., class II, effected in 1947-48 the S.E., S.C., did not recommend Mr. Deshpande for pt. promotion to the B.S.E., class II as he(Mr. Deshpande) takes initiative health , control and practical ability vide the S.E.,S.C.'s letter No. G. 38 , dated the 18-12-47, and serial No. 2 in the statement accompanying it,

From the above it will be seen that Mr.Deshpande's claims were taken into consideration while making permanent promotio -ns to the B.S.E., class II, and there is no grievance in his case. The S.E.,S.C., however , now considers Mr. Deshpande quite fit to be an officer of the B.S.C., class II, but nothing can be done at present. His claims for pt. promotion may be considered along with those of others at the time of making pt. promotions on the next occasion . He may, if approved, be informed accordingly.

3. Mr. N.G.Gndhi is a pt. Overseer in theB.C. He was appointed as offg. Dy. Engr. with effect from the 12-6-42. He has been appointed as tempy.Dy. Engr. from November 1947. His contention that the date of apptt. as Offg. Dy. Engr. (i.e. length of service as Offg. Dy. Engr.) in the B.S.E., class II counts for permanecy and seniority in that grade is not correct. The pt. promotions of overseers to the B.S.E. class II are made on the basis of their seniority as overseers and not on the basis of their seniority asOffg. Dy. Engr. Mr. D.K.Atre , ref'd. to by Mr. Gandhi in his representation , who has been promotedas pt. Dy.Engr. (-vide G.R.No. 6436, dated the 15-6-48) was senior to Mr. Gandhi ,in the cadre of the S.S.E. It will thus be seen that the claims of Mr. Gandhi are not superceded by the pt. promotion of Mr. Atre to theB.S.E., Class II.

As regards his request that when he is confirmed in theB.S.E., class II, his seniority may be fixed after taking into account his service as Offg. Dy. Engr. it may be stated that nothing can be done at present because it will be governed by different rules according to the nature of his promotion viz. Promotions from theS.S.E.to theB.S.E.Class II or from Tem. cadre of B.S.E., Class II to the pt. cadre of B.S.E., Class II.

Yes I agree

The Chief Engineer & Secretary to the Government of Bombay Public Works Department.

Subject: Promotion to theB.S.E.Class II.

Reference: Government Letter No. 6436-E(1)-2. of 1st June 1949.

Sir,

With reference to above Government Letter addressed to the Superintending Engineer, Bombay Circle and copy endorsed to me., I have to state the case under question has an entirely different background , as narrated below in thelight of these peints, I request youto kindly reconsider the case.

(i) In the late Northern Circle, in the year June 1942, overseers were to be promoted to officiating Deputy Engineers in the vacancies which were to last more than a year. For these posts I was selected in preference to Mr. Atre although the latter was senior to me as overseer. I was selected in June 1942 and and was continued as such since then, without reversion.

(ii) Mr. Atre's supercession in the year June 1942 was certainly noton grounds of administrative convenience or exigencies of service but on some other grounds .Mr. Atre was promoted to officiating Deputy Engineer in Novermber 1943 i.e. after a period of 1 year-5 months.

iii) It is also true that Mr. Atre has not been given the pay of a Deputy Engineer , during the period of his supercession . This also establishesa fact that his supression was on grounds other than exigencies of service.

iv) Government, too also notified me as officiating de-

(iv) Deputy Engineer from a date earlier than Mr. Atre.

(v) Since I was promoted to the post of officiating Deputy Engineer earlier than Mr. Atre, purely on grounds of efficiency and merit and since I was continued in that post I should submit that I should be considered senior to Mr. Atre in matters of promotion to B.S.E. Class II.

(vi) It is learnt that the above procedure viz. ajunior superceding a senior on scale of efficiency has a prior claim to permanency.

(vii) Had the permanent vacancy occurred during the period of supercession of Mr. Atre, naturally the same would have come to me.

2. In the circumstances explained above, I submit that the promotion of Mr. Atre, earlier than myself is a clear injustice tome and I earnestly request that I, too, may be promoted to theB.S.E.Class II cadre with effect from 15-6-48 i.e. the date from which Mr. Atre was promoted.

Hoping to meet with favourable consideration:-

I remain,

2. In the cadre of the S.S.E. Mr. D.K. Atre was senior to Mr. N.C.Gandhi. The date of apptt. of Mr. Atre as Offg.Dy. Engr. is 9-11-43 and that of Mr. Gandhi was promoted as Offg. Dy. Engr. earlier than Mr, Atre although the latter was senior to the former. While submitting their cases of promotion for the approval of Govt. and the B.P.S.C. the S.E., C.C.(S.E., B.C.) had not asigned any reasons for the earlier promotion of Mr. Gandhi. In fact that S.E. did not consider that Mr. Gandhi's earlier promotion involved supression of Mr. Atre - vide his letter No G. 52/275, dated the 11-1-44. The S.E., B.C. may perhaps be requested us, to clerify the portion and state the reasons as to why Mr. Gandhi was promoted earlier than Mr. Atre

2. In the cadre of the S.S.E. Mr. D.K.Atre was senior to Mr. N.G.Gandhi .The date of apptt. of Mr. Atre as offg. Dy. Engr. is 9-11-43 and that of Mr. Gandhi is 12-6-42. This shows that Mr. Gandhi was promoted as Offg. Dy. Engr. earlier than Mr. Atre although the latter was senior to the former. While submitting their cases of promotion for the approval of Govt.and the B. P.S.C. the S.E.N.C. (Now S.E., B.C.) had not assigued any reasons for the earlier promotion of Mr. Gandhi. Below Government P.W.D., U.or. , No.6436/36/61735, of 7-10-1949. Returned to the Secretary to Government, Public Works Department, Bombay.

2 The records of the office do not show that any reasons were advanced when Mr. Gandhi was promoted as Officiating Deputy Engineer 1Year and 5months earlier than Mr. D.A.Atre, who was senior to Mr. Gandhi , on theS.S.E.cadre of the defunct Northern Circle in 1943, nor, for this reason, can it be said that Mr. Gandhi supsfseded Mr. Atre on grounds other than those of administrative convenience or exigencies of service.

3. Mr. Gandhi , having been appointed as Officiating Deupty Engineer, he was naturally given the pay in the scale of the B.S.E. class II, and Mr. Atre, being an Overseerk,drew his pay in theS.S.E. scale but, when Mr. Atre was promoted as Officiating Deputy Engineer, he also drew pay in the B.S.E.Class Class II scale.

4. There is not doubt that Mr. Gandhi's appointment as Officiating Deputy Engineer was notified by Government from a date earlier than that of Mr. Atre, since Mr. Gandhi officiated from June 1942 continuously and his appointment was notified from that date and Mr. Atre's from November 1943from which date he has been continously Officiating as Deputy Engineer.

5. A reference in this connection is requested to Government letter, Public Wirks Department Confidential No. 2145/36-E(1) of 28th April 1943, wherein it has been pointed out that appointment of Officiating Deputy Engineers do not confer any special right for permanent appointment s later on, when permanent vacancies of Deputy Engineers are filled up, and such promotions are dependant upon the relative seniority, merits and ability of the persons concerned.

Subject. Departmental selection for the permanent posts in B.S.E.11.

Sir,

It is learnet that Mr. B.P.Plande has been recently selected from the permanent over- seers cadre to the B.S.E.11 in the departmental selection, Central Circle . I do not know exactly but Mr. G. B. Malshe also must ha ve been selected before, he being senior to Mr. Palande. I mayplease be allowed to point out that I am much more senior to both of them in the Central Circle.When these selections are to be strictly according to the seniority vide Government regualtion.

I cannot make out why my seniority is ignored. I have made my case sufficiently clear in my application to you submitted under this office No.11/1454 dated 29-12- 48 . requesting to let me know my position in the seniority list. As I have not received any reply to it yetlet me mention here again that I joined P.W.D. in 1923 while the above mentioned members joined in 1930 According to the scale of pay I am senior to them by atleast two stages . I have reached the maximum of over- seers scale on 3-7-44. I was first elected for theofficiating Doputy Engineer's post in 1942 and I have acted as such since 3-6-42 for more than 4½ years cumulative, and all the while I have worked to the staisfaction of my superiors.

as.....

As I am permanently transferred from Northern Circle to Central Circle Vide Govt. in P.W.D.No. 6338/36(2)-iv- E-(11) dated 1-11-46 and was posted in -charge of Nasik North Sub-Dn. vide your No.c 38/7026 of 18/11/46. My seniority has to be considered in the Over-seer's cadre of Central Circle .Though I am transferred to Housing Scheme vide your endorsement No. Gr. 38/61-D of 7/12/47. , It is a temporary measure on deputation bases which cannot mar my prospects.

Taking into consideration the facts that I am a permanent member of the cadre of B.S.E.S. of Central Circle and that I am senior both in service and pay to the Officiating Deputy Engineer's who been recently confirmed, as I learn, I fail to understand why why claimis ignored, I have been temporarily lent to the Housing Organization but that does not in any way mar my prospects with reference to the permanent post which I hold in the central Circle,

In view of the above , it is requested that with due consideration of my seniority I may please be confirmed as Deputy Engineer Class II as soon as early as possible without any supercession

Subject: Selection for the Permanent post in B.S.E.II

Sir,

It is learnt that in the Departmental Selection for the Permanent post in B.S.E.II Mr.Palande has been appointed as a permanent Deputy Engineer in last June 48 from the Central Circle. As far as these selections are concerned they are made according to the seniority . Where in I am a looser. I stand much senior to Mr. Palande as per list received from theS.E.C.C.No.G 38/745 of 25-1-49with the hope that justice will be done.

No.II/542 of 1949
Office of the Deputy Engineer,
Construction Sub-Division No.II
Sholapur; Dated:-4th April 1949.

To

The Honourable Minister;
Public Works Department,
Government of Bombay : Secretariat,
BOMBAY.

Subject:- Supefseding the seniority inthe selection for the permanent post.

Sir,

I am serving as a Deputy Engineer in cha-rge of Construction Sub-Division No.II, Housing Sholapur. I am transferred from P.W.D.Central Circle, on 7.12.47. as a temporarymeasure, to this Housing Scheme When I learnt that Mr. BK.P.Palande was selected in the Departmental Selection for thepermanent post in B.S.E.IIcadre, I approached the Superintending Engineer, Central Circle, under this office No. II/47 dated 8.1. 1949 requesting for the due consideration of my seniority in selection for the above post .The true copies of the letters with the answer reveived, are attached for your kind perusal

As this selection was made by the Government I have approached the Secretary toGovernment of Bombay in P.W.D.through theHousing Commissioner, Bombay under this office No.II/233 of8-2-49 requesting for the just-ice. True copy of the same is attached for ready refe-rence. It is nearly two months passed, still I have not received even the usual acknowledgement of my application, I have therefore to approach you in my own interest, craving for justice. If you kindly gr-antme an interview at your convenience, in April 1949, I will explian my own case to show how the in-justice is done to me by appointing Mr. Palande who is junior to me and, I learn, nonqualified.

Vide.....

Vide Government Resolution No. 4099/34 dated 18-3-47 "No promotion can be denied to an officer qualified by his seniority unless his record shows that he is unfit for the promotion,."

I may please be permitted to state that I have joined P.W.D. in 1923 with a guaranteed post according to the results in the examination of D.C.E's from the College of Engineering Poona. Since then I have continuous approved service to my credit. The fact, that I was one of the first two, who were selected for the officiating Deputy Engineer's post in June 1942 in the Northern Circle, ignoring many seniors, will show that my services are appreciated. Since 3-6-42 I have put in more than 5½ years cumulative service as officiating Deputy Engineer, all the while to the satisfaction of my superiors.

Under the circumstances I cannot make out why my seniority is being ignored. Though I am transferred to the Housing Scheme, it is as a temporary measure. This cannot mar my prospects with reference to the permanent post I hold, in the Central Circle P.W.D.. Seeing the results of my transfer to the Housing Scheme, though as a temporary measure. I have applied your Honour to allow me to return to my parent Department P.W.D. under this office No.

If the above facts cannot satisfy you I may kindly be granted an interview before I am forced to loose my seniority for no fault of mine, in the Departmental Selection for the permanent post in B.S.E.II from the Central Circle.

Yours faithfully,

These are the representations from Mr. B.K.Kulkarni permanent overseer in theC.C. , who is at present on deputation to the Housing Organisation and offg. as Dy. Engr. He requests that he may be promoted as pt. Dy.Engr. in the B.B.E.classII as Mr.B.P.Palande who is junior to him on the S.S.E. cadre of theC.C. has been promoted as pt. Dy. Engr. with effect from the 15-6-48, according to the orders issued in G.R. No. 6436/36, dated the 30-7-48.

2. Mr. Kulkarni originally belongs to the old Northern Circle. In November 1946 he was permanently transferred to the Central Circle according to the orders issued inG.L.No.6338/36-(2)/IV-(II), dated the 1-11-46. In the seniority list of permanent overseers in theC.C. corrected up to the 30-6-47, received with the S.E.,C.C.'s letter No.R./18/ 8112, dated the 31-12-47, Mr. Kulkarni's name is not at all shown although he was transferred to that Circle long before that date . In the senicritylist of pt. overseers in the C.C. corrected upto the 30-6-48 Mr.Kulkarni is shown senior to Mr. G.B. ~~MAXXXXX~~ Malshe vide seniority list received with the S.E.,C.C.'s letter No. R. 18/7986 dated the18-11-48. But Mr. Malshe is senior to Mr. Palande hence Mr. Kulkarni is senior toMr. Palande also.While submitting his recommendation for promotion of overseers as pt. Dy.Engrs. In theB.S.E.class II, on the last occasion(i.e. in1947) theS.E. C.C. does not~~xxx~~ seem to have taken into consideration the case of Mr. Kulkarni -vide the S.E. Urgent:

U, O.R. to the S.E. C,C.,
dated the 18th-5-49

Below Government P.W.D. U.O.Reference dated 18th May 1949 regarding representations from Mr.B.K.Kulkarni permanent overseer.

.....

Returned with compliments with the following remarks:

(1) Mr. B.K.Kulkarni, permanent overseer, was transferred from the Northern Circle to the Central Circle vide Government letter No.6338/36(2)-IV-E (II) dated 1st November 1949. Before transfer he was working in the Ahmedangar Division of the Deccan Irrigation Circle from which he was relieved on 27th November 1946 A.N, to join as officiating Deputy Engineer, Nasik North Subdivision, Nasik as per orders of the Superintending Engineer, Central Circle issued in this office No. C.38/7026 dated 18th November 1946. He joined Central Circle as officiating Deputy Engineer on 5th December 1946 B.N.

(2) He was thus in the Central Circle from 5th December 1946 to 14th December 1947 in the capacity of an officiating Deputy Engineer. He was transferred from Central Circle to the Housing Organisation from 15th December 1947 in accordance with Government Resolution No.7673/36-IV_E(I)dated 24th November 1947 He never worked as an overseer in this Circle.

(3) His name should have appeared in this Circle's Seniority List of permanent overseers corrected up to 30th June 1947, as he was transferred to this Circle as an overseer and promoted as Deputy Engineer in an officiating capacity only .This seniority list was submitted to Government with this office No.R.18/812 dated 31st December 1947.The omission which it seems was due to misunderstanding however appears to hve occurred as Mr. Kulkarni had left this Circle on 14th December 1947 i.e. before th

the date of actual submission of the seniority list to Government on 31st December 1947.

(4) Mr. Kulka rni had not arrived and was not in the Central Circle at the time of the submission of the lists of recommendations of permanent overseers in the Central Circle for promotion to B.S.E.Class II vide this office No.c/134 dated 13th September 1946. Similarly he had left Central Circle and was not in Central Circle at the time of submitting list of recommendations vide this office No.C.4/9 dated 12th January 1948 His name was naturally not included in both the lists, the one submitted under this office No.c/134 dated 13th September 1946 and the other submitted under this office No.C-4-9 dated 12th January 1948.

Ref. Your No. 6436/36-e-(I)

Sir,

I have to invite reference to your letter mentioned above and to request please to let me know at an early date when the reply can be expected as I have received now so far.This office NoII/233 dated 8-2-49 addressed to the Secretary to Govt. of Bombay P.W.D. is about superseding the seniority.This pitition is neither acknowle-dged nor referred to but the one under No.II/2336642 dated 4-4-49 addressed to the honourable minister P.W.D., whibh is referred to, is about the Revestion to P.W.D. from the Housing scheme . Both of my applications,,mentioned above, have notbeen considered, as it looks,when another overseer , Mr. G.B.Malshe , my junior , has been promoted afterwards to the post of permanent Dy. Engr. vide G.R.No. 6436/36 dated 16-8-49. This affects My carier easier . Early reply is solicited

These pps. deal with the promotion of Mr. B.K. kulkarni, permanent Overseer and Offg. Dy.Engr., permanent Dy. Engr. in the B.S.E.Class II. Mr. Kulkarni is a permanent overseer on the S.S.E. cadre of theC.C. His contention is that as Mr. B.P.Palande who is junior to him has been promoted as pt. Dy. Palande who is junior to him has been promoted as pt.Dy. Engr. in, B.S.E.Class II with effect from the 15-6-48 according to the orders issued in G.R.,No.6436/36, dated the 30-7-48, his claims for pt. promotion to the B.S.E., Class II, have been superseded. He has, therefore, requested that he may also be promoted as pt.Dy.Engr. in the B.S.E.,Class II.

2. Pl. see office note on pp. 51-52 ante and the S.E., C.C.'s reply thereto . The explanations given by the S.E. for omission of the name of Mr. Kulkarni from the seniority List of Overseers and the list of Overseers recommended by him on the last occasion for promotion as pt. Dy.Engr. in the B.S.E.Class II, do not seem to be convincing As Mr. Kulkarni is a pt. member of the S.S.E. Cadre of the C.C. his name should have been included in the seniority list of Overseers and his claims for promotion as permanent Dy.Engr. should have been taken into consideration by the S.E.at the time of submitting his recommendations for such promotions on the last occasion, although Mr. Kulkarni was not in the circle at that time. It appears that Mr Kulkarni's case has gone by default and requires to be regularised in view of the facts mentioned above and in view of G.R.,P.& S.D.,No.4099/34, dated the18-3-47. It may be stated that this case is similar to that of Mr. G.B. Malshe, who was senior to Mr. Palande in the cadre of the S.S.E. and who has since been promoted as pt. Dy. Engr. in theB.S.E.Class II-vide G.L.No.P.73/72416-E(I), dated the 1.2.49, and G.R., No. 6436/36, dated the 16-8-49.

3.....

It may be stated that Mr. Kulkarni has since been recommended to the Bombay P.S.C. for his selection as tempy.Dy. Engr.-VideG.L.NO.7673/36-XIV-E(I),dated the 14.12.49.Mr. Kulkarni's work as Dy.Engr.is considered to be satisfactory vide serial No.53 in the statement accompanying the G.L.refd. to above.

4. In the circumstances mentioned above , it is for consideration whether Mr.Kulkarni's request may be considered favourably and he may be promoted as pt. Dy.Engr. and his seniority over Messrs. Malshe and Palande May be restored to him as he was senior to both of them in the cadre of theS.S.E., as was done in the caseof Mr. Malshe. If so, the papers may be refd. to the P.&S.D. for its concurrence before the Bombay P.S.C. is addressed in the matter_

Id.

Thro E.B.(II)

It is very unfortunate that Mr.B.K.Kulkarni's name was not considered while the question of making some S.S.E.members, permanent Dy. Engr. was being discussed in the year 1948.The S.E.,~~XX~~ C.C. has tried to explain as to why Mr. Kulkarni8s name was not referred to, in his report dated the 12/1/48, submitted in response to Govt8. ~~XXXXXXXXXXX~~ call dated the 2/12/47 calling for the recommendation of the S.S.E.members for being appointed as permanent Dy.Engr. It seems from the S.E.'s u.o.R.on pp 53-54 ante that Mr. Kulkarni's place in the seniority lis t of Overseers in the C.Circle was not fixed when the S.E. submitted his recommendations to Govt. on the ~~12~~ 12 1/48 and that, Mr. Kulkarni had already left C.C. for the Housing , before The submission of his recommendati -ns. Thus although the omission of Mr. K's name cannot be fully justified, The circumstances were no doubt peculiar, which must have caused this slip

2. Mr. Kulkarni was transferred from the old Northern Circle. to the Central Circle, at his own request, after both the S.E.'s N.C' aid C.C. have agreed, vide. Govt. letter NO. 6338/36(2)-IV-E(II) dated 1/11/1946. But for this transfer, Mr. K would have continued in Northern Circle, when Govt. received recommendations from the S.E.S. It is therefore interesting to examine the chances of Mr. K being included in the names of overseers recommended by the S.E./N.C. The list below indicates the names of overseers in the N.C. arranged in order of the then seniority and class of recommendations earned by each of them from 1943 to 1946.

	1943	1944	1945	1946
(1) Mr.D.K.Atre	B ★	B ★	B ★	B -
(2) " D. D.Bhate	A	A	A	* -
(3) "R.S.Paranjape-	-	-	-	- Retired on 14-3-47
(4)"N.G.Gandhi	B	A	A	A
(5)" S.S.Shrotri	-	-,	-	- expired on 15-6-48
(6) "B.R.Tank	-	A	A	A
(7) "B.K.Kulkarni	B	B	A	A

This Mr. K. had no chance of being selected until his two seniors viz Messrs.Gandhi and Tank were duly promoted

3
8/50 for as the central circle was concerned Mr. B.K.Kulkarni stood higher up in seniority over Messrs Malshe and Palande as shown below

	1943	1944	1945	1946
(1)Mr. B.K. Kulkarni	B	B	A	A
(2) " G.B. Malshe	C.	B	B	
(3) " B.p. Palande	B	B	B	

Mr.K. would not have therefore been normally omitted from the selection list of the C.C.

4. It is however for consideration if Mr. K can claim the selection by virtue of his seniority in the Central Circle, since his real parent. Circle was Northern Circle, and but for his transfer in Nov. 1949 (after which he remained in the C.C. only for about a year), he had no chance of being considered even, for selection.

5. In the peculiar circumstances of the case, Mr. K's omission need not be considered injust. Besides any attempt to reopen the question might lead to strong representations from Messrs. M Gandhi and Tank. Mr.K. will have therefore to await his turn, in the next selection list.

But for the fortuitons circumstance of his transfer to C.C. this question would not have arisen as in the N.C. there were men senior to him with equal merit awaiting selection. I therefore consider that Mr.K should await this chance

Id.

6/3/50

Mr . Kulkarni was transferred in November 1946 f rom the North rn to the Central Circle. Although the t ransfer was at his own request it was ordered on public grounds and Mr. Kulkarni should have been given his due seniority as Overseer in the Central Circle and considered for appointment as permanent Deputy Engineer. It appears, however, that h is name was not shown in the Circle list of Overseers as it stood in June 1947 and that as a result o f this omission his claims for promotion as permanen t Deputy Engr. were not considered by the S.E.and t he error was not corrected in the Secretariat.The reasons that Mr. Kulkarni's seniority as an Overse- e r in the Central Circle was not fixed until January 1 948 when the S.E. submitted his recommendation and t hat at that time Mr. Kulkarni was on deputation to t he Housing Department do not apoear to be convi - n cing.

2. It is true that had Mr. Kulkarni continued in the Northern Circle he would not have become senior enough in that Circle for promotion as permanent Deputy Enginee - r But this argument has little rel evance in in view o f of the fact that Mr. Kulkarni was transferred per- manen tly in November 1946 from the Northern to the C entral Circle . It does not appear cor-ect that Mr. Kulkarni's promotion from the Central Circle as p ermanent Deputy Engineer, on a Circle basis would lead to protest from his seniors in the Northern C irole with which he has no conn ection .

3. Mr. Kulkarni has not suffered in pay nor is he l ikely to suffer in pension because of this unfortunate e rror. However, I think that when the opportunity comes of comfirming him as Deputy Engr. his seniority ma -y be settled in accordance with the policy to be adopted in fu ture in these matters.

4. In the past there were only four Circles in the P.W.D. of which three were the regional Circles a ndfo urth was the Irrigation Circle.Recom-endations w ere called from S.Es. on Circle basis for promotion i nof Overseers as Deputy Engrs. and no attempt was made to regulate seniority of overseers a Province-wisebasis. Since Deputy Engrs. are borne on the Provincial c adre and since the number of Circles has now increased c onsiderably I think that in future each S.E. should b e asked to recommend for permanent vacancies of Dy. Engrs. at least as many Overseers from his Circle a s there are vacancies and that all the names rec- o mmended by the various S.Es. should be arran ed in t heir order of seniority on a Province-wise basis and s election made according to seniority and merit. Th is w ill obviate the complications that have come to notice i n the present case and which were also referred to recently by t he Public Service Commission.
